RE: Investigation into the death of Bradley Finegan

I am writing in response to your letter of 3 August 2015 regarding the findings and recommendations from the Investigation into the death of Bradley Finegan.

Coroner Caitlin English recommended that:

"I recommend that the Yarra Ranges Council consider conducting a review of the safety of Parker Road, Silvan as to whether a proposal to Vic Roads is appropriate"

Following the receipt of the coroner's report this recommendation has been implemented. Yarra Ranges Council has conducted a review of Parker Road, Silvan. Council have lodged a 2016/17 Blackspot application to VicRoads, seeking funding to construct 6.4 km of sealed shoulder along the length of Parker Road.
