Dear Ms Stiffle

**Andrew Clough – Court Reference 2525/07**

I refer to your letter dated 12 March 2010 enclosing a copy of the inquest finding into the death of Andrew Clough.

The sole recommendation from the inquest finding is directed towards VicRoads, namely that VicRoads conduct an audit of the manner in which it meets its statutory obligations, to ensure that deficiencies in road marking and signage at intersections are identified and rectified.

The MAV supports this recommendation.

Yours sincerely
