Re: Investigation into the death of Keith W Sharp (Date of Birth 21/06/1953)

1. I refer to your letter dated 24 March 2020 and copy of Coroner McGregor's Finding without inquest. Thank you for the opportunity to respond.
2. I have consulted with the relevant parties at Albury Wodonga Health (**AWH**) with regards to the Coroner's recommendation that it conduct a further *'investigation with an external expert in emergency department trauma process management in order to identify better opportunities for system improvements'*.
3. I confirm that AWH has agreed to implement the Coroner's recommendation in this regard and that it is in the process of arranging a further investigation that includes an external expert.
4. The Coroner's recommendation is in the process of being formally progressed via AWH's Trauma Committee meeting.
5. Should there be any further enquiries during this investigation, please do not hesitate to contact the undersigned at ken.cheng@awh.org.au.
