

Ms Alice Wickett,  
Coroner's Registrar,  
Coroner's Court of Victoria.

9<sup>th</sup> March 2021

Dear Ms Wickett,

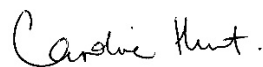

**Re: Investigation into the death of Mitchell Dowling, Court ref: COR 2018 003490**

The Australian Clinical Psychology Association thanks the Coroner's Court of Australia for its recommendations following the inquest into the death of Mitchell Dowling.

Each of the Coroner's recommendations (1 to 4) in regard to the provision of advice to ACPA members have been implemented after receipt of the Coroner's finding, on the 8<sup>th</sup> March 2021.

Members were advised of the Coroner's recommendations through an email sent to all members (see screenshot). The information has also been posted on our member website (<https://acpa.org.au/recommendations-from-the-vic-coroners-court/>).

Yours sincerely,

President,  
The Australian Clinical Psychology Association
