His Honour John Cain
State Coroner
Coroners Court of Victoria
65 Kavanagh Street
SOUTHBANK VIC 3006

Dear State Coroner Cain

I refer to your letter of 12 July 2021 where you forwarded the Minister for Corrections, the Hon. Natalie Hutchins, a copy of your findings and recommendations following your investigation into the death of Ms Simone Quinlan. The Minister has asked me to respond to you and I apologise for the delay in doing so.

As you know the Secretary of the Department of Justice and Community Safety is required to respond in writing to the Coroner's Court within three months of receipt of the investigation's findings and recommendations.

Consideration of your recommendations about an electronic case management system to support the monitoring of an offender's compliance with their Community Corrections Order (CCO) and training for Community Correctional Services staff who prepare reports is underway. Similar recommendations have been made by Deputy State Coroner English in the inquest into the death of Ms Kylie Cay and further Coronial investigations have also made similar recommendations following deaths involving offenders on CCOs.

Thank you for bringing the Coronial investigation's findings and recommendations in relation to the death of Ms Quinlan to the Minister's attention.

Yours sincerely

Madonna Morton
Associate Deputy Secretary
Justice Services
