Dear Amber,

**Re: Investigation in to the death of John Stubbs**

Thank you for your correspondence.

I have been asked to respond on behalf of the City.

City Officers have met with representatives from the Department of Transport and Planning. As all roads leading up the rail-crossing are the responsibility of the Department, the Department has confirmed that it will arrange for the installation of additional road signage on the road approaches to the North Shore Road level crossing forewarning drivers of the problematic gradient ahead and allowing them to adjust their hydraulics or seek an alternative route.

Please do not hesitate to contact me if you have any queries in relation to this matter.

Yours sincerely
